BAND STORY

I,am a musician from dundee,scotland, i have over thirty six years expierence as a working musician. I spent twenty years in london working in various recording studios and played in several different bands.i still spend a great deal of my time in my studio at home. i play several different musical instruments including guitars keyboards and vocals. I am interested in also producing and writing orignal material.i also like to dabble in video production. i can be contacted by email . thanks for taking the time to look aroundcheers digitaldougie.(The Electric Gnome.)
